

ACROVYN® DOOR MOCK-UP PROGRAM

TRY A DOOR ON US

We created the Acrovyn® Door Mock-Up Program to help you make the most informed decision when selecting interior doors. With this program, we send you an Acrovyn Door to try at your facility and see first-hand how it holds up in the toughest environments. The door will be yours to keep, **free of charge.****

We're confident that our trial Acrovyn Door will showcase the unrivaled durability, diverse design options and long-term cost savings that have solved our customers' problems for over a decade.

Which door should I replace?

Select an opening that sees frequent abuse and foot traffic. Acrovyn Doors withstand heavy impacts and are ideal for busy locations like patient rooms, classrooms and guest rooms.

What will my door look like?

Your Acrovyn door will be created according to custom details that you provide. You can specify one of our 67 standard solid colors or 20 Chameleon™ woodgrain patterns.

Ready for it?

To receive your free mock-up Acrovyn door, contact a product expert at **800.416.6586** or **acrovyndoors@c-sgroup.com**. They will assist you in collecting measurement and specifying materials.

**Installation services are not included
Single door only (pairs extra). Non-rated - 90-minute standard doors.
