**Acrovyn® 4000 Wall and Door Protection
(Select Models and Finishes)**

Peter Jempletton

Cradle to Cradle Products Innovation Institute

START DATE

27 November 2018

CERTIFICATION #

3813

EXPIRATION DATE

11 February 2021

LEAD ASSESSMENT BODY:
MBDC

Only the following products are considered Certified Product(s) within the scope of this certification and the associated Trademark License Agreement:

Acrovyn® 4000 Wall and Door Protection (Select Models and Finishes)

See Product Specification Sheet (available on the Product Registry listing at <http://c2ccertified.org/products/registry>) for all variations approved for use.

| Acrovyn 4000 Wall and Door Protection (Select Models and Finishes)
Cradle to Cradle Certified™ Silver Version 3.1 Product Specification Sheet

Cradle to Cradle Certified™ levels achieved by Acrovyn products are dependent on model variations and finishes selected. In some cases, there are noncertified model variations that are exceptions to current product platform certification. See superscript notes for more details.

Only the following models and finishes are considered Cradle to Cradle Certified™ Silver within the scope of C2CPII certification #3862 valid January 07, 2019 – February 11, 2021 and certification #3813 valid November 27, 2018 – February 11, 2021. Visit www.acrovyn.com for model and finish information.

MODELS APPROVED:

(C2C Renaissance Certificate #3862 noted using asterisk (*); all others reference the Acrovyn + Metal Certificate #3813)
