## Cubicle Curtains + Track Product Guide

INTERIOR PRODUCT SOLUTIONS

CUBICLE CURTAINS + TRACK

For years Construction Specialties has provided the healthcare market with cubicle curtain and track solutions designed specifically to make changing, cleaning, and disposing of curtains fast and easy while adding to the aesthetics of your facility. Our products easily integrate into a variety of clinical applications, from track systems that make replacing curtains almost effortless to intriguing curtain fabrics from leading manufacturers that contribute to stunning spaces – we have a cubicle curtain and track system to best suit your needs.
