

## | Acrovyn by Design® Tapestry™ Collection

The Tapestry™ Collection is the artful fusion of Acrovyn® and woven fibers designed to enhance the sophistication of any interior space, all while beautifully coordinating with CS interior product systems.

### Features

- Fuses the depth and beauty of woven fibers with Acrovyn®
- Four exclusive artisan textiles in 16 colors providing 64 unique combinations
- Available in two configurations: wall panels and direct applied sheet

### Benefits

- Cleanability and protection in a uniquely engineered composite that traditional wall coverings and fabrics can't match
- Natural variation in the woven textiles bring artisan charm to any space
- Visual statements to unify areas or any space requiring coordinated finishes
- Inspires a sense of connection to nature and the experiences within
